

Bensenville Fire Protection District Golf Outing

**Celebrating 130 Years**  
**1894-2024**

**Sponsorship Opportunity**

On August 30th, 2024 the Bensenville Fire Protection District will be celebrating 130 years proudly serving the Bensenville Community. This will be our first golf outing and planning to have every ten years there after. We are looking for main sponsorships and other sponsorships with holes, prizes, gift bags, etc. We are expecting the outing to be sold out with 330 golfers which will include the following: 18 holes of cart/golf, beverages, lunch, pig roast, live bands, challenge coins, and so much more. We are reaching out to your organization to help make this the very best of occasions. If you should have any question, please feel free to contact me with the information at the bottom of the page.

For Sponsorship, please go to
