

Bensenville Fire Protection District

Vehicle Maintenance Worksheet

Date:

Vehicle #

Crisis Class: Class A Class B Class C

Class A: All items which require that the vehicle must be removed from service immediately.

Class B: As soon as possible: items which are important and require prompt attention; however, they do not require that the vehicle be immediately removed from service.

Class C: With next preventative maintenance: items which should be corrected, but can be addressed at the next regularly scheduled preventative maintenance (PM).

Date/Time Vehicle taken Out of Service

If vehicle taken O.O.S. E-mail Chief Spain, BC Tessler, FF McGowan & FF Martin
